

To send money via WISE you need to first make an account.

Opening an Account with WISE

Go to - wise.com/

The image shows the 'Create your Wise account' page. At the top left is the Wise logo, and at the top right is a close button (X). The main heading is 'Create your Wise account'. Below it, a link says 'Already have an account? Log in'. The first step is 'First, enter your email address', followed by an empty text input field. Below the input field is a green 'Next' button. Underneath is the text 'Or log in with' followed by three buttons for Google, Facebook, and Apple. At the bottom, a line of text states: 'By registering, you accept our Terms of use and Privacy Policy'.

Enter a valid email address.

The image shows the 'What kind of account would you like to open today?' screen. At the top left is the Wise logo, and at the top right is a close button (X). A progress bar at the top shows five steps: 'Email', 'Account type', 'Country', '2FA', and 'Password'. The 'Account type' step is currently selected. The main heading is 'What kind of account would you like to open today?'. Below it, a link says 'You can add another account later on, too.'. There are two main options: 'Personal account' with a house icon and the description 'Send, spend, and receive around the world for less.', and 'Business account' with a briefcase icon and the description 'Do business or freelance work internationally.'. At the bottom, a line of text states: 'You must use Wise in line with our Acceptable Use Policy. You cannot use a personal account for business purposes.'.
